

**Name** Dr. G. J. Sanjayan

**Division** Organic Chemistry

**Email** [gj.sanjayan@ncl.res.in](mailto:gj.sanjayan@ncl.res.in)

**Phone** 020-2590- 2082/2310

**Fax** 020-2590-2449

**Subjects** *Bioorganic and Medicinal Chemistry; Synthetic Organic Chemistry*

**Education and experience**

- PhD: Banaras Hindu University
- Post-doc: University of Oxford

**Achievements**

- Developed Synthetic scaffolds useful in Medicinal Chemistry
- Developed Novel Molecular Recognition / self-assembling Systems

**Research subject:** *Organic Chemistry*

**Research Area**

- Bioorganic and Medicinal Chemistry
- Molecular Self-assembly & Recognition
- Organic Dyes
