

CSIR-National Chemical Laboratory

Dr. Homi Bhabha Road, Pune-411008, India

CSIR's Integrated Skill Initiative program

CSIR-NCL is offering following skilling/training courses initially during the year 2017-2018. Course fee details are as below:

S. No.	Course Name	Course Fee
1	Skill development in Gas Chromatography (GC) and Gas Chromatography-Mass Spectrometry (GCMS) techniques, course code: SDP_NCL01 (Course Duration: 30th October to 17th November 2017)	For Indian Nationals: Rs. 10,000/- (students), Rs. 15,000/- (Industries) For Foreign Nationals : Rs. 15,000/-
2	Skill development in Mass spectrometry and Proteomics techniques, course code: SDP_NCL02 (Course Duration: 1st to 17th November 2017)	For Indian Nationals: Rs. 15,000/- (Student), Rs. 20,000/- (Faculty) Rs. 25,000/- (Industry Sponsored Candidate) For Foreign Nationals : Rs. 25,000/-
3	Skill development of Techniques in Isolation, Characterization and Preservation of Industrially important Microorganisms, course code: SDP_NCL03 (Course Duration: 11th to 27th September 2017)	For Indian Nationals: Rs. 15,000/- (Students), Rs. 30,000/- (Industry Sponsored Candidate) For Foreign Nationals : Rs. 30,000/-
4	Skill development in Chemoinformatics Theory and Practice, course code: SDP_NCL04 (Course Duration: 25th September to 13th October 2017) [Postponed to 22nd January 2018]	For Indian Nationals: Rs. 15,000/- (Students), Rs. 20,000/- (Industry Sponsored Candidate) For Foreign Nationals : Rs. 20,000/-
5	Skill development course in Embedded Systems, course code: SDP_NCL05 (Course Duration: 4th to 22nd December 2017)	For Indian Nationals: Rs. 15,000/- non sponsored Rs. 25,000/- for sponsored For Foreign Nationals : Rs. 25,000/-
6	Skill development course in Polymorphism in Pharmaceutical Solids and Pharmaceutical Cocrystals, course code:	For Indian Nationals: Rs. 10,000/- (Students), Rs. 15,000/-

	SDP_NCL06 (Course starts: December 2017)	(Faculties) Rs. 25,000/- (Industry Sponsored Candidate) For Foreign Nationals : Rs. 25,000/-
7	Skill development course on Science Communication and Practice, course code: SDP_NCL07 (Course starts: February 2018)	For Indian Nationals: Rs. 10,000/- (Students), Rs. 25,000/- (Industry Sponsored Candidate) Foreign Nationals : Rs. 25,000/-
8	Skill development course on Application of Biocompatible and Biodegradable Polymers as Delivery Vehicles for active Ingredient, course code: SDP_NCL08 (Course starts : February 2018)	For Indian Nationals: Rs. 15,000/- (Academic) and Rs.40,000/- (Industry) For Foreign Nationals: Rs. 40,000/-
9	Skill development course on Microfabrication and Microfluidics: State-of-the-Art Sensing Applications, course code: SDP_NCL09 (Course starts : February 2018) - Cancelled	For Indian Nationals: Rs. 10000/- (Students), Rs. 15000/- (Faculty) Rs.25000/- (Industry) For Foreign Nationals : Rs.25000/-
10	Skill development course on Quality Control Chemist, course code: SDP_NCL10 (Course starts: March 2018)	For Indian Nationals: Rs. 25,000/- (students) Rs. 50,000/- (Industry) For Foreign Nationals : Rs. 50,000/-

Accommodation Facility: Accommodation will be provided on payment basis depending on the availability. Charges-Industry/ Foreign applicant Rs. 1000/-, Student Rs. 500/- (for duration of course+2days)

Note: Fee will not be refunded under any circumstances once paid
