

Name: **Dr. H. V. ADIKANE**
Division: CEPD
[Room No. 719, (Bioengg Group)
Chemical Engineering Div.]
Email: hv.adikane@ncl.res.in
Phone: +91- (020) 25903060
Fax: +91- 20 - 25902621

- Education and experience
- Ph D (Biochemistry)
 - 23 yrs R&D experience
- Achievements
- 15 paper published as principal author in peer reviewed journals
 - 9 Indian patents filed as principal investigator
 - Received the award of DBT, Biotechnology Overseas Associateship (Short term)
- Research subjects:
- Biotechnology
- Research Areas
- Enzymology
 - Biopharmaceuticals
 - Biomaterial
 - Food Biotechnology
 - Environmental Biotechnology
- Recent publications
- **H. V. Adikane** and G. J. Iyer, "Chemical Modification of Ethyl Cellulose-Based Highly Porous Membrane for the Purification of Immunoglobulin G", Appl Biochemistry and Biotechnology. 169 (2013) 1026-1038.
 - **H. V. Adikane** and D. M. Thakar, "Optimization of *Escherichia Coli* Penicillin G Acylase Production Using Black Liquor a Waste Product of Pulp and Paper Industry", Current Biotechnology, 2013, 2, 1-5 (Accepted paper; Bentham Science Publishers).
