Name:	Manjusha V Shelke
Division:	Physical Chemistry
Email:	mv.shelke@ncl.res.in
Phone:	020-2590-2308
Fax:	020-2590-2636
Education and experience	• Ph.D. (Chemistry) - Advanced Materials and Processes Research Institute, CSIR, Bhopal, MP, India, 2006.
	• Postdoc - Institute of Electronics, Microelectronics and Nanotechnology, CNRS, France, 2007-08.
Achievements	<ul> <li>Research Scholarship awarded by Embassy of France in India.</li> <li>Goldmedals at graduation and postgraduation level for securing highest number of marks in the university.</li> <li>Eklavya National Merit Scholarship.</li> </ul>
Research subjects:	<ul><li> Physical Chemistry</li><li> Materials Science</li></ul>
Research Areas	<ul> <li>Advanced Functional Materials.</li> <li>Nanomaterials</li> <li>Materials Chemistry</li> <li>Materials for energy storage</li> <li>Surfaces and Interfaces</li> <li>Micro-fluidics</li> </ul>
Recent publications	<ul> <li>J. Mater. Chem (2012), DOI: 10.1039/b000000x.</li> <li>Chem. Commun., 2011, 47, 7785–7787.</li> <li>Mat. Chem. Phys. 2011, 131, 223-229.</li> <li>Colloid. Surf. B: Biointerfaces, 2011, 83, 16-22.</li> <li>Electrochem Commun. 2010, 12,1638-1641</li> <li>Lab Chip, 2010, 10, 1902-1906.</li> </ul>
