- Education and experience
- Ph.D. University of Pune, Pune (1985)
 - M.Sc. Shivaji University, Kolhapur (1979)
 - Research Experience of 30 years in the area of Polymer Science
- Achievements
- Prof. M. Santappa Silver Jubilee Award in Polymer Science for the Year 2006 by the Society for Polymer Science, India.
 - Prof. Sukumar Maiti Polymer Award Foundation, 2004.
 - CSIR Technology Award 2003 for THPE Process: Team Member
- Research Subjects
- Polymer Chemistry
 - Material Science
- Research Area
- Controlled polymerization methods
 - High performance polymers
 - Biomass derived monomers and polymers
 - Polymers for solar cells
- Recent publications
- Prakash S. Sane, Bhausaheb V. Tawade, Indravadan Parmar, Savita Kumari, Samadhan Nagane and Prakash P. Wadgaonkar, J. Polym. Sci. Polym. Chem. 2013, 51, 2091.
