

**CSIR-NATIONAL CHEMICAL LABORATORY PUNE -  
411008**

**No:** 2021/CSIR-NCL/BIO/MLP101126/29

**Date:** 22/09/2021

**Division:** BIOCHEMICAL SCIENCES(BIO)

**NOTICE**

**Subject: Design And Development Of Indigenous Strain Portfolio For The Production Of Penicillin (Penv-IP)**

Applications are invited online for filling up of position on a purely temporary basis, in the prescribed proforma. The details of the Sponsored Project under which engagement is proposed to be made is as under.

**Title of Project:** Design And Development Of Indigenous Strain Portfolio For The Production Of Penicillin (Penv-IP)

**Name of Sponsoring Agency:** CSIR

Project Code	MLP101126
Post Name	Senior Project Associate
No. of Position:	1
Minimum prescribed educational Qualifications	Master's Degree in Natural or Agricultural Sciences/MVSc or bachelor's degree in Engineering or Technology or Medicine from a recognized University or equivalent; and (ii) Four(4) years' experience in Research and Development in Industrial and Academic Institutions or Science and Technology Organizations and Scientific activities and services; OR ME /M.Tech in Engineering or Technology from a recognized University or equivalent with TWO years' experience in R&D in industrial and Academic Institutions or S&T Organizations and Scientific activities and services; OR Doctoral Degree in Science/Engineering/Technology/Pharma/MD/MS from a recognized University or equivalent
Desirable experience, if any	Position-01: Experience in the microbial technology with specific reference to fungi, fermentation and downstream processing. Experience in molecular biology, gene cloning, transformation.
Age Limit	40
Job requirement	Position-01: Development of gene construct for fungal transformation, transformation, fungi transformation, metabolite analysis through analytical techniques, HPLC, LC-MS
Consolidated emoluments per month	(i) 42,000/- + HRA

Project Code	MLP101126
Post Name	Senior Project Associate
No. of Position:	1

Minimum prescribed educational Qualifications	Master's Degree in Natural or Agricultural Sciences/MVSc or bachelor's degree in Engineering or Technology or Medicine from a recognized University or equivalent; and (ii) Four(4) years' experience in Research and Development in Industrial and Academic Institutions or Science and Technology Organizations and Scientific activities and services; OR ME /M.Tech in Engineering or Technology from a recognized University or equivalent with TWO years' experience in R&D in industrial and Academic Institutions or S&T Organizations and Scientific activities and services; OR Doctoral Degree in Science/Engineering/Technology/Pharma/MD/MS from a recognized University or equivalent
Desirable experience, if any	Position-02-Work experience in fermentation, optimization, strain improvement, downstream processing, analytical evaluation, and scale up
Age Limit	40
Job requirement	Position-02-To perform/troubleshoot fermentations, optimization and media engineering, strain improvement, downstream purification, analytical estimation, and scale-up
Consolidated emoluments per month	(i) 42,000/- + HRA

Project Code	MLP101126
<b>Post Name</b>	Senior Project Associate
<b>No. of Position:</b>	1
Minimum prescribed educational Qualifications	Master's Degree in Natural or Agricultural Sciences/MVSc or bachelor's degree in Engineering or Technology or Medicine from a recognized University or equivalent; and (ii) Four(4) years' experience in Research and Development in Industrial and Academic Institutions or Science and Technology Organizations and Scientific activities and services; OR ME /M.Tech in Engineering or Technology from a recognized University or equivalent with TWO years' experience in R&D in industrial and Academic Institutions or S&T Organizations and Scientific activities and services; OR Doctoral Degree in Science/Engineering/Technology/Pharma/MD/MS from a recognized University or equivalent
Desirable experience, if any	Position-03: Minimum 4 years hands-on wet lab experience in organic chemistry synthesis, proficiency in carrying out lab-scale reactions, characterization, purification and analysis.
Age Limit	40
Job requirement	Position-03: Multi-step and upto multigram-scale organic chemical synthesis of metabolic pathway intermediates, analogues, derivatives, their purification, characterization and analysis

Consolidated emoluments per month	(i) 42,000/- + HRA
-----------------------------------	--------------------

The engagement will be initially for a period of six months which may be extended or curtailed depending on the duration of the tenure of sponsored project / satisfactory performance or conduct of the appointee, as the case may be. The engagement will be purely on temporary basis and shall not be CSIR/NCL appointment, temporary or otherwise and shall not entitle the appointee to any right/claim whatsoever, implicit or explicit, for his/her consideration against any CSIR-NCL post/fellowship.

### How to Apply:

1. Eligible candidates are required to apply ONLINE only through our website.
2. Link to apply :<http://jobs.ncl.res.in>
3. Details can be read from section Jobs Vacancies: <https://www.ncl-india.org>
4. Candidate should have a valid email before applying online.
5. Scanned photo/signature in JPG/JPEG format only.
6. Candidate's Photograph File size must be less than **50 kb**.
7. Candidate's Signature File size must be less than **25 kb**.
8. Readable scanned copies of Mark sheet(SSC, HSC, Graduation, Master, PhD,etc)
9. **Keep ready pdf file of all testimonials.**
10. Read all instructions title '**How To Apply**' available at website.

The application should be filled online before **07/10/2021**. Late applications will not be considered.

The prescribed educational qualifications are a bare minimum and merely possessing of same will not entitle candidates to be called for interview. Where number of applications received in response to this Notice of engagement is large, it may not be convenient or possible to interview all the candidates. Based on the recommendation of the Screening Committee, the Project Leader may restrict the number of candidates to be called for interview to reasonable limits after taking into consideration qualifications and experience over and above the minimum qualifications prescribed in the Notice. Therefore, it will be in the interest of the candidates, to mention all the qualifications and experience in the relevant field on date of advertise.

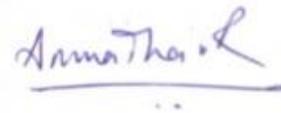

The candidates recommended by the Screening Committee to be called for interview would be notified on the website as well as divisional Notice Board on **11/10/2021** or the candidates may ascertain the information by contacting Dr. Ashok Giri email id: **biohod@ncl.res.in** contact No: **02025902647**

Shortlisted candidates will be required to appear before the Selection Committee for an online interview. For online interview URL link will be provided to shortlisted candidate later via email on or before **11/10/2021**.

Interview will be conducted on 13/10/2021 from 10:00 AM onwards online through a suitable medium such as Microsoft Teams, Google Meet, Cisco WebEx etc.

No interview call letter will be issued separately.

No TA/DA will be admissible for appearing for the interview. Selected candidates will have to join duty immediately on receipt of the offer of engagement.

**Dr. Ashok Giri & Dr. Anuradha Raghunathan**
